'Books crowbar the world open for you – every book you read makes your imagination larger' Katherine Rundell

## YEAR 1

In Year 1, children also have access to books in all the areas of provision. Within the reading area, there are a selection of recommended reads for their age group which provide a range of top quality reading material for the children to engage with. They listen to and discuss books that are read to them as well as books they read themselves and can retell stories or facts from non fiction books.
