

Crantock Home Learning Outcomes (Summer 2)

DT	
Textiles	
Stitching 	Design
Recreate one of the stitches learned in class.	Design a dress or suit for a special occasion.

Reading	
The biography of Anne Frank	
Create a fact file on Anne Frank.	Visit the Anne Frank House Museum website.

Maths	
Decimals 	Calculation
Create a poster which shows how to add, subtract and multiply decimals.	Design a maths cheat sheet for a year 5 about to come into year 6.

Topic	
WW2	
History 	Geography
Write a letter in role as an evacuee.	Research and record all the countries involved in WW2 and how many troops they sent to fight.

RE	
What matters most to humanists and christians?	
Create a comparative poster between humanists and christians.	

Science	
Light 	Light
Research the human eye and create a presentation on your findings.	Create a device which refracts light.

PSHE	
Healthy living	
Design a healthy eating menu for the week and an exercise timetable to go with it.	

Writing	
Alma 	Instructions
Write a short horror story of your own.	Follow a set of instructions to build or make something (lego, a recipe etc)

Music	
Rewind and Replay	
Appraising Music 	Writing Music
Listen to a song from a genre you normally don't listen to and write a review.	Recreate your favourite song as a rap.
