'Books crowbar the world open for you – every book you read makes your imagination larger' Katherine Rundell

YEAR 5/6

In Year 5, children are encouraged to read widely and are asked to reflect on author background and society as a whole. They take part in structured discussions and vocabulary continues to be extended. Children in Year 6 are taught to discuss, compare and evaluate a range of texts in depth. They need to recognise and consider complex themes and very importantly use their knowledge of language and vocabulary. They need to be reading widely for pleasure.
