

Carlyon Bay Spring 2 - Home Learning Outcomes

DT – Spring 1

DT – Cooking and Nutrition

Investigate and report

Design a poster showing the five food groups. Include pictures and explain why each group is important for a healthy diet

Get cooking!

Create a healthy snack using fruits, vegetables, or other nutritious foods. Take a picture and write about its health benefits

PE – Spring 1

Cricket and Tennis

Getting active

Can you throw and catch a ball in the air to the tune of heads shoulders knees and toes – doing the actions whilst throwing!

Doing some research

Inspirational cricket players or tennis players

Science – Spring 2

Magnets and forces

Subject Knowledge

Create a poster or diagram showing objects that magnets attract and repel. Label magnetic and non-magnetic materials with explanations

Scientific Skill:

Test different materials with a magnet. Record results in a table and explain what you discovered about magnetic and non-magnetic objects

PSHE – Spring 2

Staying safe

Road Safety

Design a poster about road safety. Show how to cross the road safely, wear a helmet, and stay visible at night.

Top tips for safety

Create a top tips about staying safe at school and on the playground. Include tips for playing safely and looking out for others

RE- Spring 2

Islam

Practices

Create a poster about the Five Pillars of Islam. Draw and label each pillar with a short explanation

Place or worship

Research a mosque. Draw a picture and write three facts about its importance to Muslims

Music – Spring 2

More musical styles

Count on me by Bruno Mars

Listen to *Count on Me* by Bruno Mars. Write or draw how the song shows friendship. What lyrics show kindness and support?

Comparing songs

Listen to *Count on Me* by Bruno Mars, (2010) and the song *Lean on Me* by Bill Withers (1972). Compare how they sound—what is similar and different? Which do you prefer? Why?

Geography – Spring 2

Commercial fishing

Locational knowledge

Create a poster about fishing in Cornwall. Include types of fish caught, fishing methods, and why fishing is important

Mapwork

Draw a map of Cornwall showing key fishing ports. Label the seas, harbours, and areas known for fishing.

Spanish - Spring 2

Family, pets and the alphabet

Draw and label (in Spanish) your family, include any pets you have too!

Challenge yourself to learn to say the Spanish Alphabet, remember the letters look the same, but are pronounced differently

Computing – Spring 2

Coding – Microbits

Yr 3 MicroBits

Use makecode.microbit.org to consolidate your learning

Yr3 Create a code

Create a simple code using Scratch or Blockly to make a character move. Draw a diagram to show what you did..
