Science - Spring 1	
Forces	
Push and Pull 	Surfaces 
Create a poster about push and pull forces.	Experiment with a range of surfaces and how this may impact a toy car.

PSHE - Spring 1	
Feelings and change	
Emotions "Emotion Expert Leaflet" Create a colourful leaflet with tips on handling emotions like anger, sadness, and happiness. Include drawings, advice (e.g., deep breaths), and how to talk to someone for support.	Changing Create a mini-poster showing how you've changed since you were a baby. Include drawings or photos and write a few sentences about changes in your bodies (e.g., growing taller) and emotions (e.g., feeling brave to try new things)

RE- Spring 1	
People of God	
Stories from the Old Testament Which stories can you listen to and retell?	Noah and Abraham Design a poster about Noah or Abraham.

Music - Spring 1	
Composition	
Inspiration Listen to "Can't stop the Feeling!" by Justin Timberlake. What do you like about it? What do you dislike about it? How does it make you feel? What does it make you think of? Draw a picture inspired by this piece of music.	Composing Use your imagination when creating your compositions in this unit. What do you see when you close your eyes? Can you write a melody or find sounds that represent the story you want to tell?

Computing - Spring 1	
Connecting computers	
Inspiration How do devices help you and your family at home? Make a poster showing others how devices can be useful.	Home practise! "Network Detective Map" Draw a map of your home showing how devices (like tablets, phones, and computers) connect to the internet. Label the router and explain how the network helps them communicate!

History - Spring 1	
Tudor Britain	
Portraits  Our topic is based around portraits and what we can learn (as Historians) from them Pick your favourite Tudor monarch and create a portrait, showing how you think they should look – would they like your creation?	Inspired by History Create anything Tudor that you have enjoyed researching. Maybe houses, the Globe theatre, Tudor food, clothes Make a model, create a fact file, the choice is yours
