

## Nursery Summer 1 Topic Homework

### Personal, Social, Emotional Development

Learn a new game together. Try a new board game, card game or one that doesn't need resources, like Simon Says!

### Physical Development

Can you practise writing your name with/without your name card? How many letters can you form correctly?

### Knowledge and Understanding of the World

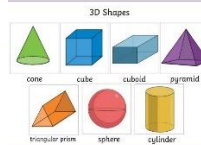

Can you plant a seed at home? Share pictures of the journey of your seed to a flower / plant and how you helped to look after it.

### Literacy

F L J V W y

What can you find in your home beginning with the letters f, l, j, v, w, y?  
Take a picture of a new letter each week and share it on tapestry.

### Mathematics

Can you find any 3D shapes at home?  
Discuss which 3D shapes you can see?  
Send photos on Tapestry to show the shapes you found.

### Communication and Language

What is the weather today? Can you create a weather picture discussing what you can see/feel outside?

### Expressive Art and Design

Can you make a picture using leaves / petals / sticks ?
