

Caerhays Home Learning Outcomes (Summer 2)

DT	
Textiles	
Stitching 	Design
Recreate one of the stitches learned in class.	Design a dress or suit for a special occasion.

Reading	
Skellig by David Almond	
Create a fact file on the author.	Read another book by the author and write a review.

Maths	
Decimals 	Times Tables
Create a poster which shows how to add, subtract and multiply decimals.	Ask for a timestables pack from Mr Batson.

Topic	
Energy	
History 	Geography
Create a timeline of energy from the Industrial Revolution to now.	Create a map where British energy comes from.

RE	
What matters most to humanists and christians?	
Create a comparative poster between humanists and christians.	

Science	
Humans 	Animals
Create a diagram of bones or organs in the human body.	Invent your own fish. It must be able to survive in the oceans.

PSHE	
Being my Best	
Write a diary entry from the future. What do you do for a living? What do you enjoy doing? Where do you live?	

Writing	
Macbeth 	The Tempest
Create a piece of art which encapsulates the witches of Macbeth.	Write a description of the island or Caliban.

Music	
Rewind and Replay	
Appraising Music 	Writing Music
Listen to a song from a genre you normally don't listen to and write a review.	Recreate your favourite song as a rap.
