'Books crowbar the world open for you – every book you read makes your imagination larger' Katherine Rundell

## YEAR 2

In Year 2, children are able to read recommended reads from the book area and they also take home a sharing book from the library. They are able to listen carefully to what is read and can explain their understanding of different texts, taking part in discussions and expressing their views based on what they have read. They enjoy extending their vocabulary by spotting challenging words in a text and exploring their meaning.
